(Vice-Chairperson Arikawa called the public hearing to order at 9:45 a.m.)

VICE-CHAIRPERSON: Will the public hearing of the Water Board on the proposed new cost of Power  
Adjustment Clause please come to order.

The notice of this public hearing was published in the Hawai‘i Tribune-Herald and  
West Hawai‘i Today on July 4, 2017.

Good morning. My name is Russell Arikawa, Vice-Chairperson of the Water Board,  
and will the members of the Board please introduce yourselves?

BOARD MEMBERS: Bill Boswell, Eric Scicchitano, Leningrad Elarionoff, Nestorio Domingo.

VICE-CHAIRPERSON: Thank you. The Department of Water Supply is operated and controlled by this  
Water Board as provided by the Hawai‘i County Charter. Section 63 of Part III,  
Chapter 54, Hawai‘i Revised Statutes, reads as follows:

“The Board of Water Supply may fix and adjust rates and charges for the furnishing of water and for water services so that the revenues derived therefrom shall be sufficient to make the waterworks and water systems self-supporting and to meet all expenditures authorized by this part; the Board may establish variable rates among the several districts of the County, or among the areas served by the individual water systems within the County, for the purpose of establishing charges as closely as possible to the necessary amount required for the maintenance and operation of the particular individual water systems; provided no rates and charges shall be fixed or adjusted prior to the holding by the Board of a public hearing, public notice of which shall have been given not less than twenty days before the date set for the hearing. The notice shall state the time and place for the hearing and the proposed rates and charges to be considered thereat. The time within which the notice shall be given shall be computed by including the first day (the day of notice) and excluding the last day.”

We are here to receive comments or testimony on the proposed amendment to the Power Cost Charge. The Department recommends increasing the Power Cost Charge from \$1.69 to **\$1.73** per thousand gallons to reflect the increase in power costs.

As stated in the hearing notice, all comments or testimony were to be filed in writing before the time of the hearing or are to be presented in person at the time of the hearing. We would like to follow this format as closely as possible; however, because there may be some of you who do not have any written statements but would like to testify or comment, we would like to afford you this opportunity to do so but would like to limit such presentations to five minutes because of the time limit.

The hearing is now open for comments from the floor. Will you please wait until you are recognized by the Chair; and for the record, could you please step forward, state your name and the organization you represent, if any.

Is there anyone here to provide oral testimony? (none)

Seeing none, for the record, I'll eliminate that. If no one testifies, there being none, I would like to entertain a motion that this public hearing be closed.

E. SCICCHITANO: So move.

W. BOSWELL: Second.

Vice-Chairperson: It has been moved and seconded that the public hearing is closed. All those in favor say “aye.” Opposed? Motion is carried. Thank you.

(Meeting adjourned at 9:49 a.m.)
